**FIG. 15**

FIG. 15 is a perspective view of the top of the container 14, showing the lid 242 and the internal structure. The lid 242 is shown in a partially open position, revealing the interior of the container. The interior is divided into two main sections by a central vertical partition 244. The left section contains a vertical member 251 and a vertical member 254. The right section contains a vertical member 252 and a vertical member 254. The vertical members 251 and 252 are connected to the lid 242 by a horizontal member 248. The vertical members 254 are connected to the lid 242 by a horizontal member 246. The vertical members 251 and 252 are also connected to the vertical partition 244 by a horizontal member 249. The lid 242 is secured by a latch 368. The container 14 is shown in a perspective view, with the lid 242 being a separate component that fits over the top of the container body.
